Attorney Docket No. 19313-001 CON

REMARKS

The present application is a continuation of U.S. application No. 09/662,183 which was allowed on December 16, 2003 and is currently pending.

Claims 23-32, 54 and 56-65 are currently pending in this application.

Applicants have cancelled claims 1-22, 33-53 and 55 without prejudice or disclaimer solely to expedite patent prosecution in accordance with the U.S. Patent Office Business Goals (65 Fed. Reg. 54604 (September 8, 2000)). Applicants reserve the right to present the cancelled claims in a co-pending application. Claims 23, 28, 29, 31, 54, 56, 57, 58, 59, 62, 63, 64, and 65 are independent. Consideration of the subject application is respectfully requested.

Applicants reserve the right to present any cancelled subject matter in a co-pending application.
